ABC Championships for Season 2018-19

Night Owls Update

New Board member Paul Wilson has "taken over" the running of Night Owls at the ABC.

The members and Board of the ABC owe former organiser Pete Rose a big vote of thanks for all his work and commitment to ABC Night Owls over the last 7 years. Pete has a very busy schedule on Wednesdays and has decided to take a well earned break from "running" Night Owls. Pete will still assist on Wednesday nights and he also plays a role in organising one of our Taylor Cup teams.

The third week of Night Owls attracted 17 teams and Paul has scheduled promotional material to hit the streets via student magazines, posters and letterbox drop over the next weeks! Hopefully this will lead to an even larger attendance of teams!

A lot of work goes into our Wednesday Night Owls and the event cannot work without our volunteers. Last night Mark Elgar, Dawn Lilley, Paul Young, Budda Hocking and Stewart Jones all gave up their time to assist Paul and make sure our Night Owlers had a great night!

We need more volunteers and can't rely on the same people every night. If you want to get involved contact Paul (0422 412 088).

BUT the big question on the night was how V won a bottle of red. Make sure you ask her the next time you see her at the club!
