LAWN BOWLING

Please indicate if you would like to book a bowling instructor for your group. Costs start from \$45 - The bowling instructor will teach your guests the rules and how to play the game of lawn bowls. A mini tournament can be set up if required.

THE BASICS OF LAWN BOWLING

Rink: area in which play takes place, boundary marked by orange pegs

Center line: the line down the center of the rink, numbered at each end

Jack: small white ball, rolled out along the centerline, the idea is to get bowls as close as possible to it

Bowls: used by the player, 2 bowls each, weighted on one side marked "inside" causing it to curve as it rolls

Mat: placed on the center line, players stand on it to bowl

THE BOWLING

Stand on the mat, feet together, knees and waist bent slightly

Take bowl in your preferred hand (right or left),

Step out with your opposite foot (left or right)

Take a small back swing

Bend down and roll bowl along the ground

Roll it out at an angle, so the bowl curves back towards jack

Avoid dropping or bouncing bowl so as not to damage the bowling green

STRATEGY

Draw shot: A slow, measured, finessed bowl trying to finish closest to the jack

Drive shot: A harder, faster bowl used to try to knock other players' bowls away

SCORING

The team who has their bowl or bowls closest to the jack wins

Points are awarded according to the number of bowls closest to the jack

Only one team can score each end

RULES AND ETIQUETTE

Strictly no heeled or tread shoes to be worn on any of our bowling greens, this includes high heels, boots, business shoes, wedges or work boots. Any shoes worn must be completely flat soled. You are welcome to play barefoot or in socks.

*Please do not throw lawn bowls, this is a game of rolling the bowl.
Lawn bowls are heavy and can cause injury if misused and may damage our greens.
To ensure that everyone who visits our club can enjoy our greens we ask that everyone
comply by the above rules.*

Thank you and enjoy!
